

Odyssey Berry Amendment Compliance

We have determined that Marlen Textiles' Odyssey product is compliant with 10 U.S.C 2533a (also known as the Berry Amendment) with the exception of the following item, as there is currently not a US provider of this item, nor equivalent items manufactured in the United States.

Item	Country of Origin
Defoamer	Germany

The Berry Amendment allows for full certification even if some individual components are not manufactured in the United States "if there is not an equivalent product produced in the US". That is currently the case for this item with Odyssey.

Sincerely,

Marlen Textiles
