## Odyssey FR Berry Amendment Compliance

We have determined that Marlen Textiles' Odyssey FR product is compliant with 10 U.S.C 2533a (also known as the Berry Amendment) with the exception of the following items, as there is currently not a US provider of these items, nor equivalent items manufactured in the United States.

Item	Country of Origin
Defoamer	Germany
Antimony Fire Retardant	China
Vinyl Chloride Resin	Germany

The Berry Amendment allows for full certification even if some individual components are not manufactured in the United States "if there is not an equivalent product produced in the US". That is currently the case for these items with Odyssey FR.

Sincerely,

Marlen Textiles
