

Marlen Textiles

Top Gun 1S Berry Amendment Compliance

We have determined that Marlen Textiles' Top Gun 1S product is compliant with 10 U.S.C 2533a (also known as the Berry Amendment) with the exception of the following items, as there is currently not a US provider of these items, nor equivalent items manufactured in the United States.

Item	Country of Origin
PFAS Free Repellent	Germany
UV Absorber	Taiwan

The Berry Amendment allows for full certification even if some individual components are not manufactured in the United States “if there is not an equivalent product produced in the US”. That is currently the case for these items with Top Gun 1S.

Sincerely,

Marlen Textiles
