Marlen Textiles

Top Notch™ 7 is a 100% solution dyed polyester fabric with a water repellent finish. With a lighter weight and superior performance, you get the best of both worlds, providing the best choice on the market when you want a light, strong, durable fabric. Now you don't have to choose between weight, strength, abrasion resistance, breathability, colorfastness and water resistance. As part of the Top Notch™ family of premium solution dyed fabrics, it will provide exceptional colorfastness. In the lighter 7 ounce weight, you can now do more without giving up other key attributes. Top Notch™ 7 can be used for many outdoor applications such as marine tops and covers, awnings, gazebos, canopies, patio furniture cover or anywhere where a durable, breathable fabric is needed.

Top Notch™ 7, a lighter way to get what you need.
